

NC HAS NEVER BEEN CLOSER TO CLOSING THE HEALTH INSURANCE GAP FOR 600,000 NORTH CAROLINIANS.

JOIN CARE4CAROLINA TO HELP FINISH THIS!

Medicaid expansion will benefit people living with food insecurity and food and farm workers.

- Food-insecure people can have higher healthcare expenditures by as much as **121%**.¹
- **42%** of uninsured individuals report struggling between buying food and medications.²
- **65%** of commercial farmers identified the cost of health insurance as the most serious threat to their farms.³
- In states that closed their coverage gaps, **1 in 5** farmers were able to sign up for health insurance for the first time.³
